

Clark County Democrats  
2016-2018  
Official Party Platform

We, the members of the Democratic Party of Clark County, believe in:

1. Justice and equality for all persons.
2. A vigorous economy that provides opportunity and security for all.
3. The importance of the environment to our economic and social well-being.
4. A foreign policy that promotes diplomacy first and foremost and ensures our nation's security while respecting the human rights of all people and working to secure world peace.
5. The continuation of free, basic, public education to all citizens.
6. The protection of a healthy, stable food supply.
7. A Federal budget that protects, insures, and provides essential services and benefits for all its citizens and is fiscally responsible.
8. Promoting the health, well-being, and security of our people and our nation.

We further affirm each person's civil rights, as well as each person's responsibility to participate in and contribute to creating a more prosperous and abundant society for all.

**We continue to uphold the equal worth and dignity of all.**
